

SOLIS Swiss Air 360

Type 3802

Our best value-for-money hair dryer with powerful 2'000 watts AC motor featuring all essential functions such as a cold shot function, ion technology, and many more. Its 360° rotating cable ensures increased flexibility and prevents the cable from tangling.

Solis

Freedom of movement

No tangled cable ever again and ultimate flexibility thanks to the 360° rotating cord with a length of no less than 3 meters.

Multiple settings

3 temperature and 2 speed settings as well as the cold shot function enable for hair drying just the way you like it.

Healthier & manageable hair

The integrated ion technology produces shiny, smooth hair making it healthier and more manageable.

Overheating protection

Integrated overheating protection for optimal safety during hair drying sessions.

Ergonomic handle

The ergonomic handle prevents premature fatigue and is suitable for right- and left-handed users alike.

Powerful yet quiet

Thanks to its AC motor, this hair dryer is the perfect quiet option for early morning or late night hairstyling.
