Galaxy Tab S10 FE

Galaxy Tab S10 FE+

Whether you're working or unleashing your creativity, the Galaxy Tab S10 FE series has everything you need. The brilliant 10.9" or 13.1" LCD display with 90 Hz refresh rate ensures smooth visuals, while the thin and lightweight design provides ultimate comfort. With IP68 certification, your tablet is protected against water and dust.

With up to 12 GB RAM and 256 GB storage, expandable up to 2 TB, you have plenty of space for all your projects. The powerful battery with 45 W Super Fast Charging keeps you going all day. The S Pen, included in the box, recognizes handwriting and makes note-taking and creative work effortless.

On top of that, built-in AI features enhance your experience and make your everyday tasks easier – helping you work smarter, create more, and enjoy every moment.

Galaxy Tab S10 FE highlights

- 8000 mAh battery with 45 W Super Fast Charging
- S Pen with handwriting recognition (in-box)
- Intelligent AI features

Galaxy Tab S10 FE+ highlights
- 13.1" LCD Display, 90 Hz, 600 nits, 259 ppi
- 8/12 GB RAM, 128/256 GB memory expandable with microSD up to 2 TB
- Water and dust protection (IP68) and Dual SIM (eSIM)
- 10,090 mAh battery with 45 W Super Fast Charging
- S Pen with handwriting recognition (in-box)
- Intelligent AI features

Best entertainment anytime, anywhere
Enjoy the largest viewing experience in the FE series with LCD displays up to 13.1". The 90 Hz screen ensures a particularly smooth display, while the compact 10.9" display of the Tab S10 FE is also optimized for maximum mobility. Both models offer narrower display edges and a slim design. With the improved, high-quality 13 MP rear camera, you can take razor-sharp photos and videos. In addition, both tablets are IP68 water and dust resistant, so you can enjoy your content anywhere – indoors or outdoors.

Life-enhancing intelligent features experience
The Galaxy Tab S10 FE series offers intelligent AI features that make your everyday life easier, such as Circle to Search, which allows you to find information at lightning speed. In addition, smart functions help you to increase your productivity, for example by enabling handwriting recognition with the S Pen – perfect for taking notes or creative work. Thanks to the optional Book Cover Keyboards, you can also transform your tablets into powerful workstations. This gives you a seamless and efficient user experience, whether you're working, studying or being creative.

Boosted efficiency
Powered by the Exynos 1580 processor, the Galaxy Tab S10 FE series delivers a massive performance boost for seamless multitasking and entertainment. Both models offer 128 GB or 256 GB storage, expandable up to 2 TB via microSD, with 8 GB or 12 GB RAM for smooth operation. With large batteries up to 10,090 mAh and Super Fast Charging 2.0 (45 W), you get the stamina needed for long, intense working days – so you can work and create without limits.
